**PRESIDENT'S MESSAGE**

Welcome to 2000 and the future of the CWNA. The future is here now and the CWNA needs to be in it. I plan on discussing the CWNA's future at the **upcoming annual meeting in Castle Rock on Saturday, February 14th, 2000**. I'll give you a sneak preview right now.

We need to develop a web page to disseminate information about coin clubs across Colorado and Wyoming. Most important we need a e-volunteer to do the updating and adding all the info the CWNA runs across. If you are a retired collector and have an interest in being our "webmaster" e-mail a board members (e-mail address are now listed in this newsletter).

The CWNA is here to stay, in person and print, and now we're going to get onto the web! It is the fastest way to read about collecting and the future of our hobby. Get involved by giving all the CWNA board members feedback.

I'll talk to you soon!  
Tom Hallenbeck

**CWNA NEWS**

**ANNUAL MEETING**

The CWNA annual membership meeting will be held on **Saturday, February 19th at the "Village Inn" restaurant in Castle Rock, CO. at 2:00 PM** followed immediately by a short open board meeting. We are honored to have as this years guest speaker at the membership meeting, Ed Rochette, ANA Executive Director, who will be speaking on "the lost colonies of Colorado". It promises to be a great time for all, refreshments will be served.

**CWNA EDUCATIONAL SEMINARS**

The CWNA in conjunction with the Colorado Springs Coin Show (CSCS) put on four educational programs at the annual CSCS held in the Lon Chaney theater in the Colorado Springs city auditorium on Saturday July 10th. This was our first recent attempt at putting on several seminars on the same day, and we were quite successful.

The first program was entitled "The futures connection to the past - the internet and numismatics" presented by Numismatists Online (NOL).

The second lecture was called "Counterfeit detection" presented by noted author and all around great guy, Bill Fivaz of Dunwoody, GA.

After the CWNA general meeting, Kerry Weterstrom lectured on "the status of the ancient coin market", and finally James Wiles gave a talk on "Lincoln cent repunched mintmarks".

The programs were generally well attended, with Bill Fivaz's talk drawing a crowd of nearly 20 people. In the future the CWNA will present more educational programs with better publicity and more notification to coin club members across the

state. This years programs will be held at the same time (during the CSCS in July in the Lon Chaney theater) and the planning is already underway. If you didn't attend, you missed a great time!

### **NEW CWNA DISPLAY CASES**

The board of the CWNA earlier this year voted to purchase approximately 30 new deep display cases at a cost of \$2074 and to sell our remaining older shallow display cases. This now gives the CWNA approximately 90 cases total that are all the same type and in good usable condition. The shallow older style cases have all been sold to CWNA members and clubs as published in the last newsletter, and the proceeds of those sales are back in the treasury.

The new display cases are available for rental by any CWNA member club for \$4 and by any commercial show for \$5 per case. The borrowing club is responsible for the care of the cases and liable for any breakage or lost keys. The Colorado Springs Coin Show was the first club to rent the cases at their annual coin show held in July. The borrowing club must set up a time to pick-up and then return the cases with our secretary/treasurer Jerry Morgan who also stores the cases. In order to save money, the CWNA has Jerry store the cases, but then allows Jerry to use the cases twice a year at his show held in Denver.

The CWNA board agreed to purchase the new cases with some of the money that had been set aside for the development of coin shows. The money had been in bank CDs since the ANA sanctioned pre-show that we put on in August of 1996, and the board decided it was time to put some of the money into something that would benefit our membership right away. The original idea for the fund allowed coin clubs to borrow money from the CWNA interest free to help put on a coin show and then pay back the borrowed amount after the show was completed. The problem was that no one used any of the money in over 3 years. Maybe the CWNA didn't let the clubs know we had this available or maybe no club needed the money, either way the funds went unused. By using a portion of the funds from

the coin show fund, we now have ample cases available to any club willing to come to Denver to pick them up and use them.

All CWNA member clubs are encouraged to take advantage of these fine display cases that we now own. We felt it would be easier for clubs to rent the cases for a nominal fee and would help make club shows more successful and still have funds available to loan than to only have the coin show fund alone. If anyone has any questions regarding the display cases, feel free to contact any CWNA officer by e-mail/mail/phone.

## MINUTES OF OCT. 23, 1999 CWNA BOARD MEETING

This special board meeting was called to order at 1:23 PM by President, Tom Hallenbeck at the Moot House Restaurant in Fort Collins, CO. All officers and board members were present.

The Secretary submitted the "Minutes" for the July 10, 1999 board meeting which were approved unanimously as read. The Treasurer submitted a Treasurer's which listed net assets of \$23, 807.88 and it was also approved unanimously.

### Old Business

Tom Hallenbeck reviewed the success of the CWNA's sponsorship of educational speakers at the July 10, 1999 Colorado Springs coin show. Public attendance was good for the early speakers but dwindled when some of the speakers were unable to appear. The speaker program will be better advertised for the next show.

Dick Johnson presented a check for \$101 as payment for the purchase of the remaining shallow showcases.

### New Business

A motion was approved unanimously that the show loan fund be reviewed by the Board for renewal annually.

A motion to raise the rental price of the showcases from \$3 to \$5 was defeated by a voice vote of 4 to 3. A subsequent motion to raise the rental price to \$5 for commercial entities and \$4 for member coin clubs was approved by a voice vote of 6 to 1.

There was a lively discussion concerning the "mission" of the CWNA, however no motions were made. E-mail addresses were exchanged in order to improve communications.
